

Army Safety Excellence Streamer

The Army Safety Excellence Streamer is an Army Headquarters and organization-level safety award

Level: Company size units, battalions, or equivalent; divisions and installations (both Table of Organization and Equipment (TOE) and Table of Distribution and Allowances (TDA) type units).

Initiated/Nominated by: Submitted through the unit's chain of command to the appropriate level for screening, verification, and approval organization commander or representative; each level of command must endorse the request and verify that the unit is eligible for the streamer; local safety offices are responsible for ensuring compliance with established eligibility and display criteria in conjunction with the conduct of safety and occupational health inspections.

Criteria:

- Detachment/Company size units that have completed 12 consecutive months without experiencing a Soldier/unit at-fault Class A or B accident and have 100 percent completion of Risk Management (RM) training within the last 24 months at time of submission. (U.S. Army Combat Readiness Center web based training fulfills this requirement)
- Battalions, or equivalent, that have completed 12 consecutive months without experiencing a Soldier/unit at-fault Class A or B accident and have 100 percent completion of RM training **and the Army Readiness Assessment Program (ARAP) within the last 24 months at time of submission.** (U.S. Army Combat Readiness Center web based training fulfills this requirement)
- Brigades, or equivalent, that have completed 12 consecutive months without a Soldier/unit at fault Class A or B accident
- Division and installations that have completed 12 consecutive months without a Soldier/unit at fault Class A or B accident.
- Eligibility for award of the Army Safety Excellence Streamer accrues from 10 March 2009. Award is not retroactive before that date. The streamer may be displayed for one year after award, at which time the unit must re-qualify and resubmit IAW eligibility criteria.

Timeframe of award: n/a

Submission deadline: n/a

Approval authority: O-6 or higher level commanders of TOE or TDA organizations may award the Safety Excellence Streamer to units under their command meeting eligibility criteria. This authority may not be further delegated lower than the O-6 level commander.

Award: Streamer

How to get the physical streamer: The streamers come in two sizes. Units can order the streamer through normal supply channels utilizing the following stock numbers:

- 3' x 2 3/4" (NSN 8345-01-576-5855) for unit organizational colors
- 2' x 1 3/8" (NSN 8345-01-576-5875) for unit guidons
